## INTRODUCTION

**WS100** -- Excellent for beginners or expert paddlers, Waterskate™100 kayaks are attractive, rugged and ergonomically designed with graduated foot braces to accommodate everyone. Our unique catamaran hull provides superior stability and outperforms traditional kayaks with exceptional tracking and efficient glide.

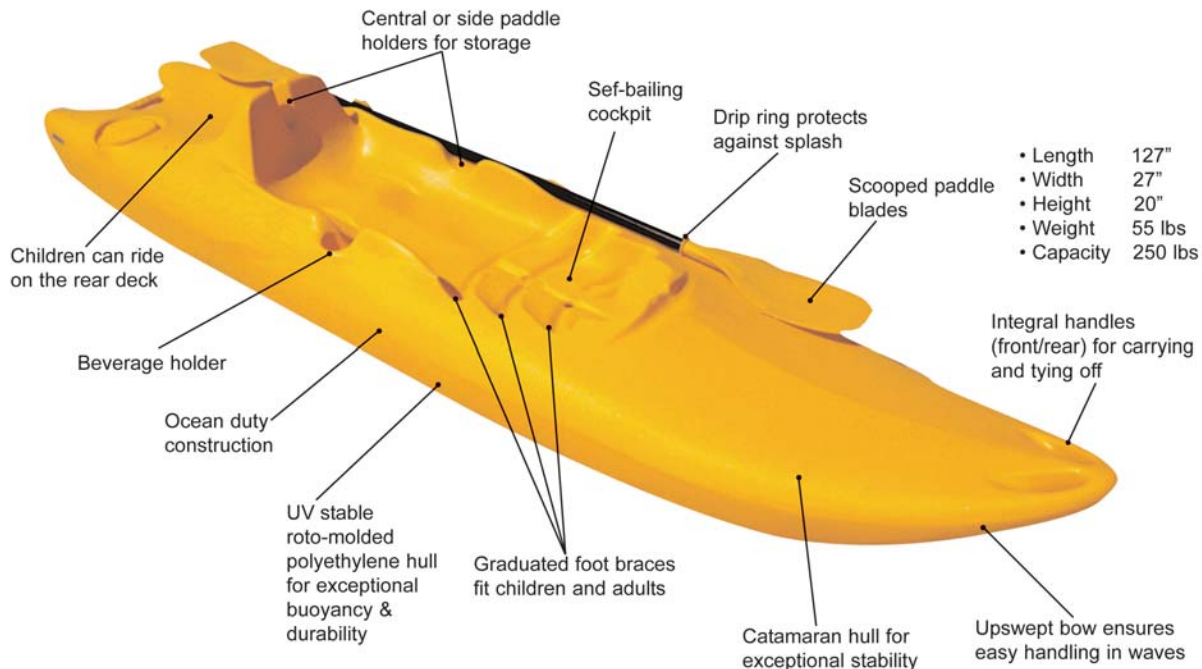

**WS150** -- Enabled by Future Beach's world leading roto-molding technology, the Explorer is the first catamaran kayak of its kind, featuring a clear porthole situated between the user's legs, allowing paddlers to view the water beneath them while they paddle. Features adjustable backrests for optimal comfort, and a specially designed depression on the mold at the rear of the kayak, where a scuba-tank may be installed, making the Explorer the world's first scuba-tank compatible kayak.

**WS200** -- Explore the beauty of your favorite lakeshore, seaside, or river with our 2-person Beach Kayaks. Our unique catamaran hull provides superior stability and boasts exceptional hydrodynamics. Whereas paddlers using traditional kayaks must constantly change their course to compensate for windy conditions, our kayaks remains on course with no sideslip. Designed for couples and families alike.

## WATERSKATE KAYAK FEATURES

## **SPECIFICATIONS**

### **WS 100**

Length: 127" / 323 cm  
Width: 27" / 69 cm  
Height: 20" / 51 cm  
Weight: 55 lbs. / 25 kg  
Capacity: 250 lbs. / 113 kg

### **WS 150**

Length: 120" / 305 cm  
Width: 27" / 69 cm  
Height: 15" / 38 cm  
Weight: 57 lbs. / 26 kg  
Capacity: 250 lbs. / 113 kg

### **WS 200**

Length: 129" / 328 cm  
Width: 33" / 84 cm  
Height: 20" / 51 cm  
Weight: 71 lbs. / 32 kg  
Capacity: 500 lbs. / 226 kg

## **ACCESSORIES**

### **Backrest for WS 100, 200**

Durable, body-contoured backrests will provide extra comfort for long excursions on your Future Beach kayak.

### **Backrest for WS 150**

### **Storage Hatch**

Use the optional built-in storage hatch to hold a favorite snack or to keep refreshments cool.

### **Bungee Tie-down**

Use the optional tie-down bungee cord to take a backpack, a first-aid kit, or other equipment on your journey.

### **Paddle Blades**

Our unique, spoon-shaped paddle blades ensure maximum propulsion. The specially molded ring at the base of each blade prevents water from dripping down the paddler's arm when it comes out of the water.

## **SAFETY ISSUES**

### **Recommendations**

- Always wear a personal floatation device or lifejacket when operating your Future Beach kayak.
- Plan your outings in accordance with the weather forecast.
- Advise someone of your travel plans.
- Stay in range of a safe harbor; beware of off-shore winds that may make it difficult to return to shore.
- Increase your visibility with other boaters by wearing bright colors.
- Keep a whistle handy to alert other boaters in the case of an emergency.

### **Warnings**

- **Do not jump from a dock onto the Future Beach Kayak.**
- **Never use this (or any other marine) product after consuming alcohol.**
- **Never let children use the Future Beach kayak without parental supervision.**
- **Do not dive off the Future Beach Kayak.**
- **Future Beach kayaks are not designed to be used in excessive wave conditions or in fast river currents.**
- **Never use your kayak as a towable behind a powerboat**

## **MAINTENANCE INSTRUCTIONS**

### **A) Washing Instructions**

The hull of your Future Beach™ kayak has been specially treated with UV-stabilizers. Clean the hull with soap and water, when necessary. **Do not use harsh or abrasive cleaning solvents.**

### **B) Drainage Instructions**

On occasion, small amounts of water may collect in the hull due to condensation and other factors. If necessary, open the drainage plug (located at the front of your kayak) with a file. Stand your kayak against a wall to drain.

### **C) Storage Instructions**

Store your kayak indoors during the winter season.

## **LIMITED WARRANTY**

Future Beach™ warrants the hull of your new WaterSkate kayak to be free from defect in materials and workmanship for a period of three (3) years from the date of retail sale, subject to the following terms and conditions:

The WaterSkate kayak components are covered for a period of one (1) year from the date of purchase. These components include the kayak's paddle(s), backrests, as well as all product accessories.

The warranty is applicable to Future Beach™ products registered and normally operated in North America. Under this warranty, Future Beach Corporation is limited to the repair or replacement of the components. This warranty is non-transferable to a subsequent owner.

### **What is not covered by warranty**

- Damage due to misuse, accident, collision, etc.
- FBC shall have no liability whatsoever for any personal injury, accident or consequential damages
- Wear-and-tear deterioration, discoloration, fading, etc.
- Commercial use (refer to our commercial warranty)
- Damage or surface corrosion caused by the environment
- Damage caused by the use of aggressive chemical cleaning solvents
- Any damage incurred to and from Future Beach™ due to transport
- Any transportation charges to and from an Authorized repair facility
